SHOPPING IN HENFIELD

Stuck without a supermarket? Here are some solutions!

Sainsbury's are moving ahead to create a new store for Henfield in the former Budgens supermarket in the high street. Whilst they are on track to open in May, this 16-page pull-out (generously sponsored by Horsham District Council) is a timely reminder of all the wonderful retail options available in Henfield and the surrounding area, showing that our high street can provide for almost all your shopping needs.

Many shops are stepping up with new ranges and extended opening hours making it easier than ever to shop locally and support the local economy. The content is provided through a collaboration of Henfield Community Partnership, BN5 Magazine and local businesses.

In directory form, with icons indicating enhanced opening hours, delivery options, click & collect and transport information, you'll be able to easily locate all that you need under the following headings:

- Groceries & food 3
- Toiletries, pets and homeware 6
- Markets 7
- Gifts & stationery 8
- Convenience options 9
- Transport 13
- Click & collect and online shopping 14

Huge thanks to Horsham District Council for supporting this initiative and to Henfield Community Partnership for their additional research.

Please note, opening times and content is correct at time of going to print.
